### **STATEMENT:**

#### **POLITICAL PHILOSOPHY**

Respect for American traditions, republicanism, support for Christian values, moral universalism, pro-business, pro-individualism, and advocacy of American exceptionalism. Fiscal conservative: low taxes, reduce government spending, and minimal government debt. Free trade, deregulation of the economy, lower taxes and privatization of non-core functions. Responsible use of our natural resources. Cultural and social: Support the preservation of the traditional values and beliefs and the protection of our cultural heritage of Alaska and nation. Right to own firearms and use for protection. Promote individual responsibility and independence using education of the employment fundamentals and civics learning.

#### **POSITION ON ISSUES – I support**

**Education**, life-coping skills, and learning employment fundamentals. Vocational education.

**Healthcare**, support our doctors and nurses and help low-income families with medical care assistance

**Neighborhoods and Community**, volunteerism, area beautification, neighborhood watch, patrols, and communications

**Jobs and Economy** a diverse economy, support small business education, training, and development. Cut the barriers to gain employment.

**Public Safety**, elimination of child and animal abuse, reduce domestic violence. Lessen recidivism in our communities.

**Veterans**, Alaska with the most veterans per capita, with the least representation. Improve benefits, employment, and business opportunities in the state.

**The PFD and Senior Tax Exemption** FULLY fund the people's money to the people. Protect our Seniors.

### **SKILLS & EXPERIENCE**

30 + years national and community service  
20 + years business experience  
9 years education and training instructor

It will be an honor to serve you!
